Head office: Sheffield

This is an exciting time to be part of the team working for South Yorkshire Mayoral Combined Authority (SYMCA). SYMCA brings together the local authorities of Barnsley, Doncaster, Rotherham and the private sector through the Local Enterprise Partnership (LEP). These bodies together serve the communities and businesses of South Yorkshire. From transport to housing, from business growth to skills, SYMCA has a great story to tell. We are ambitious, and through devolved powers want to achieve real change for our communities.

We are now seeking to appoint a dynamic, forward thinking IT Systems Developer to work closely with our IT Systems Development Manager the successful delivery of key IT projects within the SYMCA's strategy.

The successful candidate must have the ability to work at a senior level and quickly establish credibility within the organisation, and with external partners, and be particularly skilled in constructively persuading and championing a desired course of action in a sensitive yet effective manner. You provide first class technical expertise to develop, implement and maintain the AEB and Multiply platforms and databases to comply with national requirements of the Department of Education. Responsible for the development and delivery of projects and initiatives including developing effective management reporting

We're looking for someone who is not afraid of a challenge and can bring an energetic, creative and 'can do' approach to the role.

We offer a competitive salary, access to the Local Government Pension Scheme, and the opportunity to be part of an ambitious organisation striving to achieve real change for our communities.

Located in a vibrant city centre location, we are well-placed for transport links and encourage employees to take advantage of the active travel facilities we have such as bike storage and shower/changing facilities. We believe in a healthy work/life balance.
