**Contract:** Fixed Term Contract – March 2027  
**Salary:** £44,624 - £47,665 per annum  
**Head office:** Sheffield

The South Yorkshire Mayoral Combined Authority (SYMCA) brings together the local authorities of Barnsley, Doncaster, Rotherham and Sheffield and the private sector through the Local Enterprise Partnership (LEP). These bodies together serve the communities and businesses of South Yorkshire. From transport to housing, from business growth to skills, the SYMCA has a great story to tell. We have ambitions to deliver recovery and renewal for people, businesses and places across South Yorkshire after the COVID pandemic.

We are currently recruiting a Light Rail Project Engineer to support the light rail asset renewal project. In the role you will provide engineering input and advice to ensure that work is designed and constructed to the desired quality. We are looking for suitably qualified individual to prepare technical briefs prompting engineering requirements for renewals and enhancement work.

The role requires you to have knowledge and experience of light or heavy rail engineering, along with previous experience of managing the performance of suppliers relating to the design and/or construction of engineering assets as well as experience of working with various stakeholder.

This role is suited to a technical person with a passion for working with the environment in order to make a difference to the lives of people in South Yorkshire.

In return, we offer a competitive salary, hybrid working, access to a Local Government Pension Scheme and the chance to be part of an organisation where you can really make a difference. Located in a vibrant city centre location, we are well-placed for transport links and encourage employees to take advantage of a range of benefits, including active travel facilities. We believe in a healthy work/life balance.
